The Premises:

Well documented upmarket sauna massage with discreet off road carpark. Have visited many times in recent years and is always friendly and safe with a regular clutch of gorgeous girls to choose from.

The Lady:

Leggy, tanned 34/22/34, shaven, gorgeous looking and described as half Brazilian. She has hair much like Samantha Mumba, but no doubting she is an English girl.

The Story:

Crystal was very friendly from the start and began with an oily back massage using her body to tease me, and her fingers to tickle the nethers before a frontal assault. She teased me with her breasts and the oil on my front and then proceeded with some covered oral which was a little soft and brief. At this point I asked for reverse oral which lasted about 2 mins as it appeared she had come. Nice gesture but I was unconvinced. Crystal asked me how I would like the sex, which is always a dilemma. I want it all! Anyway she suggested doggie to start and I have to say once engaged I knew with the massage she was giving my "spondoolies" at the same time, the event was likely to finish early. A memorable knee trembler for me and one I hope to repeat in a longer session which I think would draw the best from a lovely girl.
