The Premises:

I have visited Fantasia several times over the last couple of years and experienced a variety of quality in the ladies and quality of services. This was one of the best. Place is ok, not lavish but I have always felt comfortable, greeted at door, shown upstairs, two small rooms, shower if required.

The Lady:

Joanne greeted me at the door. A fuller figured lady around 35 to 40 with welcoming smile and manner. You could say with a touch of class! I had the choice of a younger girl, but had read a previous report on Joanne and had decided I needed to see her.!!

The Story:

After a couple of minutes Joanne joined me and stripped off to reveal a truly huge pair of tits, and stockings and suspenders. I laid on my front and Joanne started straight away to rub those melons across my back and around my backside teasing the arse crack. All the while she was telling me what she was doing and how she enjoyed it. She reached under and tickled my cock and balls, after a while she turned me over and had me play and suck her tits before more hand held cock teasing and dirty talk and then decided it was time to suck me. An excellent covered BJ with loads of eye contact and more dirty talk before telling me it was time to fuck. I shafted her from behind and unfortunately in my excitement came far quicker than desired.

If you want a mature horny porn star type who will control you Joanne is just the job and all for ?20. I will be going back very soon.
