N/A she came to my flat

The Lady:

She is about 5'8" she has lovely shaped and firm "B" breasts. Her bum is firm and round. Nice legs and firm everywhere. She is very pretty and has a definite sparkle in her eye.

The Story:

She arrived and her accent(she is russian) was very sexy. She started by undressing and asked if she could massage me. Her massage included her hands her breasts and kisses. It was wonderful. She kisses passionately and her oral was most satisfying. She then got on top and drove me wild! I was sorry she had to go. I would recommend her for a longer visit as an hour is just not enough!!! The best I've found in London mates!
