The Premises:

Victoria House has been well documented in other FRs. One small complaint is that you have to choose your lady from descriptions given by other punters, the receptionist, or the website, and then make an appointment, unlike some other parlours where you just turn up and make your selection from the ladies after actually seeing them ?in the flesh?. However, the fact that the ladies aren?t all available to line up for selection is a sign of a popular establishment, and as all the ladies I?ve seen there are very attractive it really isn?t too much of a problem.

The Lady:

Melanie is a very attractive blonde in her mid-twenties, and is quite new to Victoria House. She is very friendly, has shoulder length hair and is average height, probably around 5ft 4in. She has a lovely slim body. Her boobs are quite small but she has a nice firm rounded bum. She was wearing a slinky long dress with black bra and panties underneath. Stockings and suspenders would've been nice but I guess you can't have everything.

The Story:

Melanie gives a good massage and superb hand-relief. Her body is a delight to handle and she uses it to very good effect. As I don?t like condoms I can?t comment on any other service she provides but I?m sure they would be equally enjoyable. Her normal day is Saturday. (Being just after Christmas things were not ?normal? - only 3 ladies were working and one of those was just ?helping out?)
