### The Premises:

Well documented in previous reports.

### The Lady:

Again well documented in my two previous reports on this girl.

### The Story:

Had another super 30mins with Rosa. She seems to get better and better each time I see her. She doesn't need to ask me anymore what I like. I had the usual massage, owo, 69 and sex in a number of positions. Really good value for money. I will be returning again and again.
