### The Story:

Sex. Kissing with tongue. BJ without condom. 69.

Having recently been recommended this lady by a friend, all I can say is that I was not disappointed. I agree with all the above and more. I booked a 2 hours appointment in the day with Hayley, she was ready on time and immaculately dressed in casual clothes. A lovely flat in a really nice area. We sat and chatted on the sofa for a little while, before I went to take a shower - with the words "I'll be waiting for you...." echoing in my ears. Hayley has a wonderful bubbly personality, and clearly loves her work, almost as much as she likes having her pussy eaten. Her body is as near perfect as you can get - slim, very toned with the best set of abs I have seen in a decade. Her recent enhancements are not too large and are beautifully in proportion. She tells me they have not altered her sensitivity in any way. We spent the best part of two hours kissing and cuddling, sex in every position (she loves doggy and spooning guys) followed by mutual massages. There is no doubt from her body that she is a personal fitness trainer, but she is clearly intelligent as well - someone I would love to have on my arm at a social event (and almost certainly will). I cannot give a higher recommendation on this site to date than this young lady - a star amongst stars!
