Having recently been reccomended this lady by a friend, all I can say is that I was not dissapointed. I agree with all the above and more. I booked a 2 hours appointment in the day with Hayley, she was ready on time and immacualtly dressed in casual clothes. A lovely flat in a really nice area. We sat an chatted on the sofa for a little while, before I went to take a shower - with the words "I'll be waiting for you...." echoing in my ears. Hayley has a wonderful bubbly personality, and clearly loves her work, almost as much as she likes having her pussy eaten. Her body is as near perfect as you can get - slim, very toned with the best set of abs I have seen in a decade. Her recent enhacements are not too large and are beautifully in proportion. She tells me they have not altered her sensitivity in any way. We spent the best part of two hours kissing and cuddling, sex in every position (she loves doggy and spooning guys) followed by mutual massages. There is not doubt from her body that she is a personal fitness trainer, but she is clearly intelligent as well - someone I would love to have on my arm at a social event (and almost certainly will). I cannot give a higher reccomendation onthis site to date than this young lady - a star amoungst stars!
