The Premises:

A discrete location down a farm lane, the property has magical overtones, with candles and incense. Not a dungeon in the conventional sense, but sufficient instruments on display for sensual enhancement.

The Lady:

pre-raphellite dark red hair, this lady has the most superb breasts I have ever seen in real life or on the net!! Well proportioned with large dark nipples. Beautiful legs and when not being severe delightful laughing eyes. a cracker (whip-cracker!)

The Story:

Not my usual scene, but I am always prepared to have a new experience.

She was quite severe, and left me with a warm glow.

Being tied and teased is most interesting, especially given her fabulous hooters, and when she rubbed her pink slit in front of me it was more erotic than many a shag I've had off indifferent wgs!

For those who please her a shag is on the menu.

She certainly captured my (jaded) imagination which is a form of heightened eroticism.
