The Lady:

Denise, is 5'7" with highlighted blonde hair, a slim figure of 34a-25-36, 22 years old I would say. Not unattractive but not what I was expecting.

The Story:

I booked this lady having been disappointed by some of the girls I have had in the past. The agency, or its three websites, have some particularly gorgeous girls on but the Denise I booked from the photos is NOT the girl who came to my house.

It didn't get much better : no kissing, oral with condom and half-hearted sex with interruptions for: I must go to the toilet, my pussy is sensitive because I have just finished my period and 45 mins in : 'Shall I phone the agency and tell them I am staying for another hour?', No thanks.

These people, london-rome, london-paris and belgravia-orchids are a bunch of fraudsters. You do not get the girls from the website and what you do get is pretty rubbish.

She told me that she was from Finland, but had a Spanish accent and couldn't tell me anything about her native country.
