### The Story:

This was my second visit why did i wait six months to see her again ?She puts you at ease straight away and she is lovely to talk to.Well the actual sex is out of this world,the best BBBJ you will ever get from any woman.Her pussy is just lovely and when you are in there you just do not want to come out.This is best sex i have had with any woman nothing compares.In summary if this was your girlfriend or wife you would never stray because no other woman could compare.
