The Premises:

Really nice place - split level loft type apartment - wished I lived there. Parking ok - though I wouldn't want to leave my car there overnight.

The Lady:

Stunning English girl - really skinny nice small tits. This girl is really nice and friendly. She's also a nympho who seems to love her job.

The Story:

Absolutely brilliant experience. This girl is open minded and will do anything for that hour. Great bj without - onto a 69. She sucked for ages - I could hardly hold myself. Onto a bit of sex - didn't last that long - I was ready after all that sucking. Could have gone for another round - but was too tired from the earlier foreplay! Treat her well and I'm sure she'll do anything you ask - not sure if she was on the menu though
