The Story:

Danielle is a real find. Fantasia may have been criticised in the past, but Danielle is a star. She works Sundays and Mondays, and is lovely to talk to. She put me at ease straight away, and at no time did I feel rushed, and she made it seem like she really was pleased to see me, rather than just going through the motions. Danielle is very sexy, and started with a nice massage with oil. We then moved on to oral, and this really is something else. Great technique! We had sex in a few positions, and it felt incredible, as she had made me so horny as she has a great body. It really seemed as if Danielle enjoyed the sex, and after a while I couldnt hold on anymore even though I wanted it to go on for hours!

Go see her!
