The Premises:

My hotel, here in London.

The Lady:

5'9 tall, short dark hair, not exactly skinny, well not supermodel skinny, but not exactly large. for a woman of 5'9 has an ample frame. Breasts are really small. I usually prefer women of larger size.

The Story:

Eva is NOT the lady in the picture, and I'm starting to wonder if any of them are actually, as I remember reading another report a few weeks ago, and the guy also commented that the girl from that agency, was not the one in the picture.

Anyhow, Eva came to my hotel, and after coming in, we sat and talked for a while. She was nicely dressed, I would say latvian or estonian, doesn't speak a great deal of English, however does get by.

Very eager to please, even after me quizzing her about the picture, she insisted it was her, but I know it wasn't.

She quickly settled into what was going on, and without going into too many details, was good, and I mean satisfyingly good.

Afterwards she laughed and joked, was in no hurry and didn't clock watch.

The other downside, was afterwards she started talking about the rest of her night and the other punts she had to see, although I know she was a working girl, it really brought the fantasy down with a crashing thump. I would have rather she just make small talk.

Anyhow, if your in need, Eva is a willing girl and will certainly make you smile. French, owo and cim provided.
