The Premises:

Ground floor flat on busy road, between Camden Town and Regents Park. Not the greatest of areas, but quite acceptable and safe. Nicely decorated and well looked after inside. I found a meter very nearby, otherwise the tube is about 10 mins walk.

The Lady:

Emma can be seen on the touch of class web site, where her photos are organised in a slide show. Unfortunately this takes ages to download, even if you have a highspeed line. The photos show her as she is now, maybe her face is a bit rounder. She has a nice body, large breasts and pleasant manner and appearance.

The Story:

Emma is very chatty indeed, after 15 mins I began to worry that this was a ploy to cut down on the fun time, but afterwards I realised that she is not a clockwatcher at all. After a couple of hints we retired to the bedroom and she began with a nice general massage. I turned over and she readily took me in her mouth and gave me a good sucking. I stopped her just in time and offered her reverse oral, which she accepted and really got into, coming quite enthusiastically and noisily. She got quite out of breath and we relaxed for a few minutes, before she gave me some more oral. She put on a condom and we had sex in different positions, she enjoyed doggy most and came again shortly before me.

Emma is an easy person to get on with, no fancy airs and graces, and I had a good time.
