The Premises:

Very clean & tidy AND discrete flat in victoria SW1. No parking place outside flat , although metered parking available nearby.

The Lady:

Very pretty russian lady, reminiscent of film star Ashley Judd (no joke) Beautiful almond shaped green eyes, golden hair, and a perfect body to go with it. This girl is marriage material boys! Also has a sexy tattoo on her lower back, great ass and perky nipples. Perfect.

The Story:

After seeing her on the website<http://www.touchofclassuk.i12.com/slidehtml/helen.htm>....

I just had to ring up and make an appointment, even though I swore to myself before that I'd never go and see a pro again in my whole life.

Who am I kidding ?

I got there and was greeted by Helen, who was clad in just a silky robe and matching lacy bra and panties. She lead me into her bedroom where we sorted the finance situation. She asked me if I wanted her to wear a dress or something nice for me, which I loved, but told her she looked absolutely fine and lovely as she was!

We kissed (french) for a while and she unbuttoned my shirt slowly and seductively. Soon I had all my clothes off and we played around with each other for a bit. I explored her tight trimmed pussy with my fingers and made her wet and moan as I pressed her lil' button.

Soon after she took my dick (bareback) gently into her mouth and sucked me for what seemed like an eternal heaven. Looking at her face I couldn't quite believe it was happening to me. What a woman!

15 minutes later I spurted my load into her soft mouth. She didn't swallow unfortunately, but held my cum in there while she took a tissue and cleaned me up gently. Only then did she spit it out. I don't know about all this spitting and swallowing lark, but it was certainly a nice gesture to hold my cum in her mouth for that long! Other girls just spit out straight away!

Feeling relaxed and woozy, she laid with me and made sweet pillow talk for a while. I didn't feel like doing another round, I felt I had more than my value for money, so 20 mins later I left with a kiss from Helen and a smile goodbye.

Its a shame I wont see another pro again.....
