The Premises:

Pleasant Victoria terraced house in town centre, opposite bus station and car park. Area quiet except on market day.

This is Jas' own house which she is decorating at present. Upstairs front bedroom was clean and tidy with subtle lighting, candles and music - you can choose your own if you wish. Bathroom and WC nearby on same floor.

The Lady:

Jas is Indian, in her late twenties and about 5'3" tall. Busty with long black hair.

The Story:

I opted for one hour of massage, OWO and anal sex. She is very obliging and will ask what you want and she had no problem with her putting a bare finger up my rectum. I did likewise to her. Followed by vaginal intercourse during which I came too soon. Not to worry she said - stay your hour for more massage and chat, which I did. Upon leaving she refunded ?25 as I did not get all that I paid for. Now that is real professionalism. I will certainly return to this remarkable woman.
