The Premises:

Clean, family home in a quiet suburb. Surrounded by tall hedge so you can park in her drive if you wish

The Lady:

Late 30s to early 40s I think. Described previously. Slim, blonde and pert breasted with sensitive nipples.

The Story:

Been there once before and had the full hour, however, this time, we were interrupted by a knock at the door.

Nevertheless, Jan has a great OWO technique and her pussy is the sweetest I have tasted. She can certainly look after a man.

To be fair, she felt sorry about having to turf me out soon and suggested I only pay less than the regular price, but she was worth every penny and I will be back soon to take her up on her offer of 2hrs for the price of 1.
