The Lady:

WOW!! Emma is much more attractive than her picture on the web site, and she looks younger too. she greeted me in a black short robe and stockings, and being slightly nervous, made me feel relaxed and comfortable straight away.

The Story:

After a brief chat, we moved to the bedroom where Emma started with an excellent back massage, which wasn't rushed, after about 20mins she turned me over and proceeded to give me fantastic owo, while gently playing with my balls. after a while told her i wanted to lick her pussy, where she lay on back and i gave her a good 20min. tongue fuck while fingering her arse. we then got into a 69 and had the most brilliant time giving and receiving. before cumming she said that she wanted me doggie so i duly obliged, again fingering her arse while i banged away at her wet pussy before cumming. Emma, thank you for a great time and i will be back.
