The Premises:

Her flat is above some shops. Access is from the street, there is no discreet entry. Inside the room is clean and tidy, with a bathroom.

The Lady:

Late 30's. Dark blonde, long hair, large breasts with sensitive nipples. If you are not into mature, less than skinny ladies, then Ashley will probably not be for you, otherwise enjoy!

The Story:

Started with a nice massage, plenty of teasing where required, then after 20 or so minutes asked to turn over. She asked me if I wanted her to remove her pants, beneath was a neatly trimmed bush, I prefer shaven, but she has very soft hair. Everything is with, I opted for oral and HR, for the price she also does sex, although she does not like anal - not a problem as this is not my scene.

All in all for the money a good time was had by me (and I think her).
