The Premises:

Sandy as well reported. Had to wait half hour but given nice cup of tea, newspapers and free nibbles. Very comfortable place, easy to park outside in front of shops. Nice reception staff, why can't other places try this approach. They've put the price up since I last went but improved the place a lot. Ate all the Bountys as compensation.

The Lady:

Morgan is nicely tanned, pretty, very trim and was sexily dressed, very cheery and polite attitude.

The Story:

Why do you sit and wait for ages in the room, really pisses me off. Nearly everyone reports this problem so why do it?

Morgan does you, not you her, she has a set routine and you are the passenger, Paid extra for OWO and got 10 secs max and then bluffed her way along to avoid doing it. Superb to give oral to though mmmmmmmmm veeeerrry nice. Sex in 'doggy' with a lovely view, Unfortunately just didn't hit it off, enjoyed Tara much more and Hayley? one Sunday, What did happen to her? she was brilliant.

Morgan will be fine for most guys but just didn't do it for me. C'est la vie
