The Premises:

Discreet private flat just outside the town centre. Parking is in a nearby car park about 5 mins walk away. The flat was clean & cosy.

The Lady:

Mid 40's, almost 6' tall in heels, shoulder length brown hair, big build.

The Story:

I'd read a previous report which commented on Jade's incredible nipples. That report wasn't wrong. If you're into large nipples then pay this woman a visit. Her tits & nipples are absolutely phenomenal - the proverbial organ stops.

Unfortunately the rest of her is a disappointment, physically at least. With a paunch and poch-marked back she's no stunna. She is however warm, friendly and enthusiastic. If looks aren't the be all and end all for you then you could do a lot worse.

Her oral technique is fantastic (she does OWO, but no CIM). Her kissing is delightful and she does A levels, although I declined. All in all it was an enjoyable experience but once was enough for me.
