The Lady:

Busty Brazilian beauty (first day at Debbie?s) nice boobs and bum, great legs, mid 20's I guess, cant remember Julianna?s exact details (the lovely maid did tell me - Hi Lee).

The Story:

Met Julianna in the room, greeted with a kiss on each cheek (Face not bum), money exchanged and on to some lovely kissing on the lips (great). Julianna proceeded to remove all my clothes, with lots of exploring and kissing in the process, removed her clothes to reveal a lovely body. I usually have a shower with the lady first, however on this occasion Julianna started work on the important part first, condom applied for some oral followed by nice massage (could have been longer) moving on to more oral and a lot of attention was paid to my bum (not sure if I like this). Moved on to more oral followed by sex, her on top, got to suck her boobs whilst in this position. Finished in doggy position. She cleaned me up (nice touch) before adjourning to a shared shower, nice to see a lovely wet body up close, (hope she soon gets the hang of the water temperature).
