### The Premises:

Clean safe environment, see previous FRs

### The Lady:

Young, 21, slim ,about 5'7", short blonde hair and very attractive. Probably 34B-24-36. Small tattoo on tummy. Very responsive nipples.

Not the bustiest of girls but she makes up for it admirably and anyway, big tits aren't everything. Fresh quality girl.

### The Story:

A really nice girl, very chatty and most amiable. Down to business, covered BJ, a bit of mish, a bit of doggy, massage with oil and an altogether very enjoyable visit.

A girl with a sensible head on her shoulders and and intelligent really fresh face, innocent even ;)

The normal half hour was probably not enough and I will return for a more prolonged meeting. I liked her and it would really surprise me if others didn't. She may be a bit young and inexperienced in the hands of some of the Punternet 'masters' ...imho
