The Lady:

Pretty black lady, she has a slim curvy figure about 5' 4", nice eyes, sexy butt

The Story:

Renee is everything she claims on her site, her face is hidden on the site, very pleasing to the eye in the flesh I must say she's down to earth which made me feel at ease, a great kisser and AMAZING on top, Renee is damn hot, if you're into black ladies. I'm booking her next week.
