The Premises:

A basement flat just up the road from Anerley station. In addition to the front entrance on the main road, there is also a more discrete rear entrance.

The Lady:

Debbie is a fun-loving woman who seems to have a genuine vocation in giving pleasure to others.

The Story:

I received an email from Debbie in which she sounded a little miffed about only scoring 9.5 out of 10 in a recent FR that I wrote. She challenged me to come and see she her so that she could prove that she was worthy of a 10. We had a long 'tie and tease' session and must have used most of her collection of toys including the fearsome monster dildo (she can get in but it is a tight fit). With me tied down and with ropes around my balls and cock she pulled out all the stops and teased me mercilessly for over 20 minutes before realeasing me. I then got to use the strap-on dick on her in mish and doggie style. This woman is insatiable and seems to have a limitless energy. I was certainly worn out at the end of our session which went well over the usual time. Excellent as usual.
