The Story:

Well I cant add much to what has been said before. It's all true every word! The shower with Debbie was wonderfull the sex was great. She puts more effort into making the experience a memorable one than any other girl i have been to. I tried to last as long as i could but failed! then we spent about half an hour having a brothel cocktail and chatting. She is a very interesting, charming, intelligent and sweet girl. Oh and I wished I lived a lot closer!
If you havn't got the idea yet, I thought she was smashing!
