### The Premises:

Smart modern residential area outside of Whitchurch, house is always clean & homely, it's the girls home for gods sake & I for one am not there to criticise her housekeeping  
Very safe & discreet

### The Lady:

Have been seeing Jan for a while now & can only describe her as very, very sexy, Jan has a large selection of sexy outfits, have not seen her in the same outfit twice, prefer micro short skirts generally with stocking tops on view & matching sensual underwear, sometimes no underwear at all, great view as she leads the way up the stairs  
would put Jan in her mid 30's but am no expert on ages & who really cares  
Very sexy smile, long legs that go right up to her arse & then they get cheeky  
Great slim firm figure, pert breasts with the most responsive sensitive nipples have ever known  
besides any more than a mouthful is a waste  
She is always clean & fresh  
She is also great, lively & bouncy company, yes we chat as well  
think am married to a bloke in comparison

### The Story:

Don't want to go into the nitty gritty detail but as have already said being seeing Jan for a while & each time is a more wonderful erotic experience than the previous  
Greeted at the door with a great wholehearted snog as if we were long lost lovers  
Offered Coffee & shower as have travelled some distance to see her. This girl is well worth driving a couple of hundred miles to see  
Then led up the stairs to the bedroom where am really indulged with loads of kissing, mutual undressing & constant caressing, again just like lovers  
The bedroom antics are out of this world Jan goes out of her way to please would like to think she gets pleased too but not really that vain  
Does not rush or clock watch within reason but the time does just seem to fly

A truly enjoyable time each & every time, never been disappointed yet & will keep going back ?til as she puts it ?hangs up her G-String? (not for ages yet please Jan)

Nice bathroom & shower afterwards (as yet unassisted, but working on it)

Then having already booked for next encounter, more kissing & cuddling on the way out & the long drive home to the wife
