### The Story:

I had seen Michelle last week (see prevoius FR).  
Started staright off with oil over back, then front while she was on her knees, my hand inside her legs, fingers tickling her clit. On with the condom and she took it all, licking me, her fingers tracing the outlines of my balls. I knew that I wasn't going to last long, so I straddled her chest, facing her. I wanted to spunk over her tits badly. She was writhing, my fingers being squeezed by her orgasm. She was really going it now, her hands stimulating her breasts & nipples. I screamed "Yes...yes...together" and splattered all over her breasts.  
She looked up at me, her eyes so beautiful, smiled and said "I think I am going to like you" and gave me a nice kiss on the lips.  
Thanks babe
