The Premises:

Flat, in Lewisham, not far from the bus and DLR station. Open road with steps up to flat. Used by both Angela and the Italian Lady. Small, but functional. Videos and mirrors abound, as well as uniforms and toys.

The Lady:

Angela 38GG size 14 lady. Italian size 8 with firm breasts. Both trimmed.

The Story:

Well, what can I say. Watched them both suck me, fuck me, lick themselves and fuck themselves. The best bit was when I was on top of the Italian in the mish position and Angela had two fingers up my arse. Great Hour especially when both women were licking my nipples while wanking me! I have seen them again, and it was even better as they both knew what I wanted.
