The Story:

Was given a friendly welcome on my first visit to this parlour. Enjoyed a sauna and shower and went up stairs. Courtney came up and introduced herself to me and we went into the massage room which was bathed in UV light. Courtney was wearing a black uniform which she soon took off revealing her white underwear which was almost blinding under the UV light. We had a chat while she gave a very good massage, using hands and boobs to good effect, she turned me over and got down to business massaging my cock again with hands and boobs with the desired effect. Moved onto the couch, on with the rubber for some oral with good eye contact. Courtney offered her boobs for me to have a licking and sucking session. Then onto the sex part with a number of positions finishing in doggy.
