The Story:

I had to wait for around 30 mins for De De, hope the spelling is right. My eyes almost popped out of my head, she sounded nice on the phone but seeing her was even better. She took me upstairs, I had to wait again, whilst she had a shower. The anticipation was driving me mad.

De De appeared and gave me a wonderfully sensuous massage; it seemed to last for ages. Slow teasing oral both ways, followed by sex in a variety of positions. No more details but seriously enjoyable, totally unhurried and very relaxing. I have a smile all over just thinking about it.
