The Premises:

Very clean apartment, nice and cosy, private entrance, large car park over road, felt very safe.

The Lady:

Allana is as it says on her site, was voted one of the top ten universal escorts, and she clearly deserves such a position, a lovely friendly person with looks and figure to die for, she was dressed in expensive clothes, hardly any make up (she doesn't need it) and a wonderful personality, she just came over as pure class.

The Story:

We had a good chat, and I found it very easy to talk to her, she is a very interesting lady who I could have listened to all night, even talked about football and she amazed me with her interest and knowledge on the game, the time just flew, I was thinking when I should say let's retire, and as if she read my thoughts invited me to have a massage, I will not go into too much detail as she stated she didn't like F.R. about her, but I will say that never before have I had the urge to write about an escort until meeting this jewel. If you want a stunning class lady who you will make you feel you're the luckiest guy in the world, then look no further.
