### The Premises:

Being Karens.It`s a lovely place.

### The Lady:

5 ft 8,blond,very nice

### The Story:

For once I turned up at Karens without ringing them to find out who was on.So for once,the moment I arrived it was going to be a game of chance.

Choosing Clare wasn`t too bad a choice.Although the only downside was her massage technique needs definite improvement.She is also the first lady at Karens I`ve dealt with who doesn`t do OWO.However,she made up for it with 69 and plenty of doggy style.She wanked me off to completion.

Prior to discovering punternet.I`ve been entertained by Amber,Diana,Marilyn & Karen at this place.While Claire might not be in the same league as these four,she is still better than some ladies in other parts of the country that I`ve encountered.I`ll give her the nod,but there`s a bit of room for a little improvement.
