The Premises:

Centrally located clean, safe house with maid/receptionist. Plenty of parking (pay) on the prom in the area around the Eric Morecambe statue.

The Lady:

Marnie is a buxom, busty mature woman, probably in her mid forties. She has long grey hair(no hair dye here guys) tied back in a pleated pony tail and a still attractive and sexy face. She is about 5'9 with her heels on and was dressed in black tight fitting mini dress.

The Story:

This was my third punt of the day(1st time for everything) and as soon as I was led upstairs by the maid and got my first glimpse of Marnie I thought, 'This is going to be good'.

The maid had hardly about turned and Marnie was snogging my face off!!

What followed was 30 mins of no holds(holes???)barred downright dirty fun.OWO, CIM, anal stimulation (penetration for ?80) I think pretty much anything goes with Marnie.

In short, if you are looking for a nubile young glam babe then Marnie is definitely Not for you. However, if you are looking for a True Pro ... then look no further.
