The Lady:

Absolutely stunning. Met me in a scoop neck black mini dress , gorgeous long har , even better than her photos. I had expected maybe a set up as the web site and office were not that professional , but she was 100% genuine as per her pictures - only better

The Story:

I concurr with other reports . This lady is amazing . Incredibly affectionate and erotic, Much kissing , owo and great sex. She has a great smile and does not just let you have sex with her she makes love to you. However once I had peked it was clear that was it and we got dressed , it was actually half an 25 mins or so before the hour was up , but it was clear that was it . However I could not have done any more and had a train to catch . To be honest tha half hour was far superior to many of the longer visits I had had with other girls. Yhis was definitely one of the best ladies I have ecver had the pleasure to make love to
