The Story:

Seeing as it was Good Friday , I thought I would pay another visit to the lovely Charlotte. Let me tell you boy she is GOOD !!. I have been visiting Charlotte for about 2 years now , and I dont know if the service she provides is a GFE , but for me its a bloody good mate service . Charlotte is such a friendly person and extremely likeable. We hit it off straightaway , and thats why I return . Charlotte is very interested In Punternet , although she has never seen it herself as she does not have access to a PC. Seeing as she is such a good friend , and she gives a good service . Not only to me , but judging from her other FR's to others too . I promised Charlotte that I would post some reports about her .

Right then , the actual visit started with a session of gentle massage from Charlotte . We use this time for idle chatter , she remembers all my everyday moans and is sympathetic. Round about this time Charlotte starts to tickle my balls , and I forget all my problems. Today I gave Charlotte a massage too (not very good at it though) Sorry . I prefer it when my fingers wander to Charlotte's juicy pussy . I am now ready for a bit of oral stimulation . So on goes the condom , and Charlotte takes my cock into her willing mouth and sucks me to ecstasy. I have to stop her after 5 minutes or so , as I dont want to go off half cock . I enjoy her oral technique so much that I decide its only polite to return the compliment. I go down to Charlotte's special place and feast on the delights within. She enjoys this , I enjoy this , its an enjoyable event. Anyway I story is drawing to a close now . So for a finale Charlotte sucks my cock again , in preparation for a good hard shag. Charlotte adopts the cowgirl pose and off we ride , not quite into the sunset , but she does take me to the peak, and over it. So in conclusion I dont want to bang on too much how good it is seeing Charlotte . I prefer

banging her (joke). If you are in Brum and fancy visiting an attractive , friendly, sensual girl , then go see Charlotte , you wont regret it , I never have.
