The Story:

I've never seen her before,even though on two occasions at Whitefield the receptionist tried to persuade me to give her a go.This time there was no choice as she was the only one there. Now the thing about her massage technique is that it's rushed,although it is thorough.This caught me out as she then rubbed her tits all over me(Not quite body to body but okay).She then comes into her own with alternation between BJ(OWO)and tit wank.

After a spot of cowgirl work,she told me to go doggy style(How could I refuse) where we were at it to completion.

Serena is pretty good.If the receptionist tries to thrust her upon me next time I'm at Whitefield then it'll be much harder to refuse.
