The Story:

This is my second meeting with this beautiful girl, I must say it's very easy to say you've had a girl friend like experience when really you've just had a really good lay! But I can't get out of my mind the wonderful time I spent with Mai Li, the little things, like the unexpected hugs, kisses & touching or the easy flow of conversation - before & after and the feeling of regret when one has to leave. No, I won't ever forget this experience! I will definately be seeing Mai Li again in the next couple of days!
