The Premises:

Victoria House has been well described before and on the website. It has a discreet entrance and is nicely laid out inside. The UV light in the massage room I was in produced the usual odd effects, Nicky said that it showed up dandruff really well, but I don't think she was getting at me!

The Lady:

Officially and accurately described as a busty brunette, Nicky is medium height and probably in her late 20's. Her curvey figure was shown off to good effect by her white lingerie.

The Story:

Nicky is a friendly and organised lady who gave me a good massage, bending down and rubbing her bra and contents against me from time to time. She did move her hands rather too quickly for the best effect though. Stripping off and moving on to the bed we then went on to oral (with), mish and HR. She thrust a handful of tissues at me to clean myself up, in a rather dismissive way, but remained friendly as she showed me out. It was a pleasant enough experience, but had a slightly formulaic and rushed feel to it. I shall definitely return to Victoria House though.
