The Premises:

Great private basement flat,spotlessly clean,new decoration,very stylishly done.Felt very safe and knew immediately that this was different from other places visited.Friendly maid ,offered hot or cold drink while I waited in a very smart back bedroom,with a video,magazines,etc. for a few minutes.I was a bit early,as it was easier to find than I had anticipated

The Lady:

Beautiful blonde,pictures on site do not do her justice,as they do'nt show faces. I would think about 5ft 6",lovely sexy figure,great smile as she walked in the room and introduced herself.

The Story:

Have tried to book Londonretreat on previous occasions,but not had any luck as they get booked up throughout the day.I can understand why now.They have a lot of regular clients and now have another one too! After discussing with Sasha my requirements ,decided on tie and tease which was to be a new experience for me ,but I fancied something a little different from the usual personal service.She took me to another room where there were masses of outfits for me to choose for her to wear.Opted for a rubber dress and thigh high boots.

Sasha came back wearing the chosen outfit and I nearly came then and there,she looked so sexy.Was tied to the bed where she blindfolded me and started to tease verbally while rubbing her body over mine.Took all my restraint not to come,but I managed to control myself just! After around 10 mins of this she untied me,gave me covered oral , then we had sex in a few different positions.Wo'nt go into too many details , but this is a very enthusiastic sexy lady.After session Sasha chatted for a bit,and offered me another cold drink,which I needed by then.Altogether a special place,good service and can't wait to go back.Another regular client for you Londonretreat.
