The Premises:

Clean and tidy basement flat - entrance is on a busy road, so not really discreet. Interesting selection of equipment around the Bedroom.

The Lady:

Mid 30's, Very attractive Scottish lady - Auburn Hair, below the shoulders. Agree with previous estimates on vitals.

The Story:

Arrived promptly - previous punters hadn't so had to wait approx 45 mins with the maid - very pleasant and chatty. Went into the bedroom and waited a further 15 mins. Lee eventually came in. Undressed each other and then went for assisted shower - great experience, which I thoroughly recommend to other punters. Back in the bedroom it all began to go horribly wrong. The "Old Chap" seemed to be completely ignoring any attempt Lee made to grab his attention. It's a bit like subscribing to the ITV Digital Sport channel, then watching the Big Match down the Pub. A wonderful Lady - charming, Sexy with both a cheeky grin and a very sexy laugh. I had been looking forward to this all weekend, but left feeling woefully inadequate. This was no fault of Lees - entirely my own. I probably shan't return, but only because of my own foolish embarrassment.
