The Premises:

Near West Kensington. Found meter parking easily outside her house. Quite road and felt very safe.

The Lady:

Tall Russian girl about 19/20 years old. Photos on her website are very accurate. Blonde girl with blue eyes and beautiful natural breasts also nice dimple on her cheeks when she smiles

The Story:

As this was my second visit to see Anita I asked her to wear one of the dresses from her photos on her website. She greeted me with a friendly smile, we chatted for a while and then moved into the bedroom. The lights were dimmed with scented candles burning. We started off with loads of kissing and then she got on with a superb blow job(not covered) she does deep throat and afterwards we went into more serious business. This girl enjoys what she does and likes changing positions. More than a GF experience, and finally came with her on top. Overall a very nice experience and she's worth every penny. Will return sooooooon!!!!
