The Story:

Travelling around europe a lot i meet lots of eastern european wg's. Having decided to have a rare punt at home i wanted to find someone who could offer something a little bit different. Going through the announccnts board I came accross Roselle and made the best decision I've made for quite a while.

A few emails later we arranged to meet in Roselle's hotel in Kensington where she was staying for a few days to be able to offer incalls. There was a bit of initial confusion, that involved me going to the wrong hotel and waking someone who definitely wasn't expecting me, but eventually I reached the right hotel and met Roselle.

From the moment I got there she couldn't have been nicer. Very relaxed, friendly and extremely sexy!

Some initial kissing led to her undressing me (so much better than being asked to get undressed by yourself) and then one of the best owo's I've had in ages. More kissing, caressing and I undressed her and had a wonderful time exploring her body. She then devoted some time to playing with my nipples, which I honestly didn't know could be such a turn on. Then on with the condom for sex in many different ways, managing to come twice in the hour and have a good chat too.

If you like petite oriental women then I would suggest you get in touch with Roselle. In fact if you enjoy being with sexy women at all then you should get in touch with her!
