The Story:

I have seen Daniella few times. She is a type of the women you can not forget. She definitely enjoys her job. We started with the massage. She put the oil all over her tits and rub it over my cock, nice and slowly. Come on, it is so sexy. I could not wait for the blowjob. She knows how to do that very well. I am sure she loves it. She never rush me, she takes it nice and easy. I can promise she is the best!
