The Story:

When she arrived, I was surprised because I thought she was beter looking than on the pictures (and she already look good on the pictures). We started with lots of kissing and a BBBJ but she would not let me cum in her mouth. She was fully shaven but I did not feel like giving her reverse. After some chatting, she gave me another BBJ and got me hard again. She said she loves A - level, so we went on some fucking and then, she pulled my dick and shoved it in her Ass - without lube - I was amased. she really seems to like it. The only sad thing was that it was smelling a bit too much. So the experience was a must have once.
