### The Premises:

As in previous FR's

### The Lady:

Blonde, rather large 38DD, I'd call her a BW (missing out the middle B) about 5ft 3ins tall.

### The Story:

You should always go with your instinct. I didn't and let my dick rule my head. A waste of time. I thought there was a funny smell and when she laid down next to me I found out why. B.O. After I'd left the room I could hear her spraying.

This used to be a fairly reliable haunt but has gone downhill, they used to have a few nice girls. I for one will be avoiding it and I suggest others do the same.
