### The Premises:

Place used by varios girls on different days near Harrow tube station. Nearby car parks, place is safe.

### The Lady:

Thin dark haired young 19 year old- not my cup of tea.

### The Story:

Should have left when I saw her but she offered full girl friend experioence.

After a perfunctory massage she gave me an unenthusiastic bbbj warning me not to cim. It was mostly hand and coming was unlikely.

Then on with condom and a quick session of sex.

No kissing  
no enthuiasism  
Not a gfe

I went because everyone raves about Dawn who shares the same house on a different day. I won't be back
