The Lady:

Cat is really pretty, long blonde hair, nice size breasts, and is a really chatty person. She is wonderful.

The Story:

Cat arrived at my hotel bang on the agreed time, she arrived in a very discrete coat and had a long black V neck dress revealing just enough cleavage to get you excited.

We then took a drink and got to know each other a little better, she has done some modelling before has I am sure her photos from her web site show. Once back in the room she wasted no time in getting down to what she obviously enjoys.

As the previous report states she does enjoy all kinds of oral and sex and she really does swallow.

We had a wonderful time together and I will next time I am in York most definitely try to arrange another meeting with Cat.

She also will take incalls if you are not able to accept an outcall.
