The Premises:

I was visiting London from overseas, so Abbi came to my hotel room in central London.

The Lady:

The pictures on Abbi's website were no exaggeration of her good looks and figure. She arrived on time & looking very elegant, but not over the top to draw attention to herself. Although her face is largely blanked out in the website, I was not at all disappointed by her pretty face. Abbi is petite, fit & every bit the aerobics instructor.

The Story:

Abbi joined me for dinner in my hotel room & we chatted for some time before moving towards the bed. Abbi is a good talker & is very open & honest about what she likes, dislikes & does. She took the lead in getting undressed - no inhibitions from that standpoint & made me feel very relaxed & comfortable right from the start.

The sex with Abbi was great - she seemed to genuinely enjoy giving a covered blow job & then moved onto sex in various positions. She did not hurry or clock-watch and once we had finished, she did not rush to collect her things & leave. I saw Abbi twice while I was in London & it only got better the second time.

Abbi is a great find in central London & well worth getting to know. It's just as well that I don't live or work in London any more - I would be broke & knackered.
