The Story:

She is more like late thirties. Bloody hell when you pay ?300 for an hour then you expect the girl to be out of this world. The stench that came from her was stinking. I asked her to undress incase she had stood on something on the way in. She hadn't! She was revolting! I asked if she had a bath at home. She replied i've just finished with another client. How unprofessional and down right disgusting! I didn't even ask for my money back. I said please leave my room NOW. She did. ?300 lighter in the pocket i was. That punt has put me off this hobby for life.
